

# TRICYCLE™

## SERVICES

Put Tricycle's programming and design expertise to work providing unique solutions for your sampling and manufacturing processes.

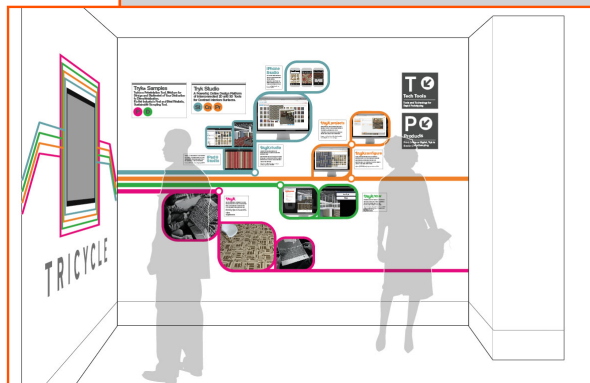

Tricycle integrates multiple sampling and manufacturing processes into a single, automated system to speed response, reduce errors, and improve tracking.

Tricycle programming solutions bridge the communication gap between sampling and manufacturing software.

Tricycle has the development capabilities, creative design thinking and unmatched carpet simulation to enhance your brand to stand out in a crowded market.

### Additional Design Services

- Architect folders
- Branding campaigns
- Customized projects
- Exhibit booths
- Presentations
- Product brochures

Let Tricycle™ help you **FIND YOUR YES**
