

TRICYCLE™

VIRTUAL PRODUCT INSTALLATIONS

Imagination alone may not be enough to anticipate how your selected carpet will look installed in your space. High quality virtual installations, powered by Tricycle's industry leading technology, give you confidence to move forward.

Preview your carpet selection as an installation to reduce surprises. Choose from our library of room settings, or send us your image to create your customized room scene.

Tricycle's rapid simulations deliver a variety of styles, colors and installation methods for faster decision making.

 Realistic Color and Texture: presentation quality

 Flexible Formats: to showcase your vision

 Fast: instant online/24 hour print delivery

 Trusted Technology: trusted worldwide by manufacturers and designers since 2002

Let Tricycle™ help you **FIND YOUR YES**
